OLD BUSINESS:

Driveway pipe installation was discussed at length. After much discussion, Mr. Spillers made a multi-part motion regarding the guidelines for driveway pipe installation, cost, approval, and replacement responsibilities. The substance of the motion was as follows:

- (1) The cost of driveway pipe replacement, by the County, will be set at a standard flat fee of \$850.00, which represents current standard contractor's cost (this cost to be adjusted in the future based on then prevailing costs / rates); or,
- (2) Property owners can hire a contractor to replace their own driveway pipe but that such work must be inspected and approved by the Road Department Superintendent.
- (3) If it is determined, in the sole discretion of the County Manager after thorough review of the site and circumstances, that damage to or interference with roadway operations is being caused by the owner's pipe, the owner will be given notice of the defect and a reasonable opportunity to either correct the problem by replacement of the pipe under section (2) above or request the County to correct the problem under section (1) above. If the property owner fails or refuses to correct the problem within a reasonable period of time, the County can/will correct the problem and install the pipe and place a lien/property taxes against the owner's property, as provided by law.
- (4) If it is determined, in the sole discretion of the County Manager after thorough review of the site and circumstances, that damage to or interference with roadway operations and/or damage to the driveway pipe was caused by County operations or actions then the County will furnish and pay for the pipe and installation thereof.

Mr. Braswell seconded. Motion carried 4-0.
